

# Help conserve our Shorebirds !

Forum, Seminar & Workshops- 17 -20 Feb 2011 in Denmark, Western Australia

You are invited to the following events to be held at the Centre for Sustainable Living (CSL) in Denmark ( Western Australia)

- **Living Lakes Network Forum**
- **Seminar on conserving migratory Shorebirds in WA**
- **Practical Shorebird Conservation Workshops**

*Informative ! Great chance for networking ! Fun !*

## Living Lakes Forum

Thursday 17th Feb 2011

Living Lakes (LL) forum - Introduction to the international living lakes network, Wilson Inlet (LL member) and international efforts to conserve wetlands and estuaries

## Seminar - Migratory Shorebird Conservation in WA

Friday 18th Feb 2011

This seminar will bring together people concerned about the crisis facing shorebirds in the East Asian- Australasian Flyway. A range of speakers, local, Australia and International, will address the crisis facing migratory shorebirds that each year visit Australia. The seminar will cover Ramsar wetlands, conservation studies and what's needed.

## Shorebird Conservation Workshops

Saturday and Sunday 19th and 20th February 2011

Learn from experts from Birds Australia practical knowledge about shore birds, their biology, conservation and monitoring. Workshop A provides the introduction to biology, identification and conservation (with field trips) and Workshop B build on this to focus on shorebird conservation, further identification and monitoring.
