

A satellite map showing a landscape with a large, irregularly shaped lake in the center. The lake is highlighted with a bright yellow border and filled with a semi-transparent yellow color. The text "Lake Albacutya" is printed in white with a black outline across the middle of the lake. To the right of the lake, a road labeled "Hopetoun Rainbow Rd" runs vertically. The surrounding terrain is a mix of dark green forested areas and lighter green/brown agricultural fields. The overall image has a grid-like pattern, likely from a satellite mosaic.

Lake Albacutya

Hopetoun Rainbow Rd
